

# Dollar-for-Dollar Reimbursement on Accidental Injuries

**American General**  
Life Companies

Did you know many accidental injury policies offer scheduled benefits, versus dollar-for-dollar reimbursement?

**Accident Expense Plus®** is different - it provides 100% reimbursement to policy holders (up to their policy amount for covered expenses). PLUS there is NO scheduled coordination of benefits with other health insurance policies.

More reasons to love Accident Expense Plus:

- No network restrictions – access any hospital, physician or medical facility
- Pays money directly to clients – not medical providers
- No waiting period to use benefits – submit claims immediately
- No lifetime limit – no matter how many accidents client has
- No coordination with major medical – pays benefits related to accidents regardless of other health coverage
